5th Annual System Dynamics Conference

27 – 28 November 2017

Hosted by the South African System Dynamics Chapter

Call for Papers and Participation - Now Open

OVERVIEW

The South Africa System Dynamic (SASD) Chapter aims to promote the interchange of learning, research and scholarship in the use of system dynamics in understanding and managing complex real world problems facing South Africa and Africa as a whole.

The SASD Chapter, in collaboration with the Graduate School of Technology Management, University of Pretoria, is organising the country's 5th Annual System Dynamics Conference (5ASDC) themed, *Sustainability and Innovation in Socio-Technical Systems*, which will be held at the Eskom Research Testing and Development Centre, Rosherville, Johannesburg.

The 5th Annual System Dynamics Conference in South Africa invites short papers that entail a diversity of domains, disciplines and stakeholders.

PAPERS AND PRESENTATIONS ARE INVITED ON THE FOLLOWING TOPICS:

- Complex systems
- Crime and security
- Education
- Energy
- Governing transitions
- Health
- Socio-economic development
- Urbanisation and sustainable cities
- Water
